Conditions of Sale

NO "UNLIMITED" BIDS will be accepted for this Sale.

All bids will be entered in the order received and lots awarded to the highest bidder. All bids will be executed competitively which means that the Mail Bids will have to compete with the highest bid from the floor plus a slight advance in order to be successful.

As a precautionary measure we suggest to all persons sending in bids, please state whether or not you authorize a percentage advance on any of the bids. By percentage we mean that you may extend your bids by 10%, 20%, 50%, or double or even triple the amount of your original bid. But percentage of such advance must be stated in all cases, otherwise the bid on your bid sheet is the amount entered in our ledger. We guarantee to buy for you at only a slight increase above the next highest bid regardless of the total amount involved.

VALUATIONS

To assist bidders estimated or catalogue values are quoted based on rarity and market prices, amount in brackets (\$0.00). We do not guarantee that bids will be successful at these figures, which are not the maximum. Higher prices may prevail.

No commission charges for executing your bids.

All items offered in this sale are sold by the lot and not by the piece.

Be sure and bid on the right lot as we will not be responsible for errors of this kind.

We have exercised great care in describing each lot accurately, in fact the condition of many notes are favored.

No claims will be allowed unless made promptly and in writing first and no materials will be returnable unless it is the fault of the catalogue.

Everything guaranteed and in condition described.

TERMS

The terms of this Auction Sale are strictly cash and must be paid for immediately upon receipt of material or bill. Bidders unknown to us must send a deposit of at least 25% of the amount of their bids or furnish satisfactory reference, otherwise bids cannot be executed.

Please send in bids promptly upon receipt of Catalogue if possible so that we may render the best service for your commission.

Price list of this important Sale will be issued as soon as possible after its conclusion. The price is only 50 cents (\$.50) if ordered in advance.
